

Animal Welfare Committee Meeting August 29, 2013, 5-30pm CASAS

Attending were MacDonald, Brec, O'Neil. Excused Murphy, unexcused Cook.

1. The minutes of 7/11/13 were reviewed and approved.
2. Brec had contacted BOH re: the Towns' agreement to include Truro in the Emergency Shelter, and the impact it would have on the PES. The agreement with Truro includes parts that discuss financial responsibility. Received a reply from Morgan that there is a joint (Truro-Provincetown) Emergency Planning Committee, and the AWC has been asked to clarify our questions and submit to Morgan for presentation at the next EPC meeting.
3. Need to contact Sherry Prada (DPW) about storage of new poop stations when ordered, and to have DPW install them in the off-season. Brec to do.
3. Question about putting pre-registration for PES into the database.
4. Question about Dr. MacDonnell being the vet for the PES. MacDonald to do.
5. Prepare another article for the Banner.
6. Jody O'Neils' father is a painter of pet portraits on Long Island. He has graciously offered to paint 3 inch x 3 inch pet portraits for \$50. This will be advertised at Herring Cove Vet Office, and partial proceeds will be donated to CASAS.

Meeting adjourned at 6:39 pm.

Respectfully submitted,
Sherry Brec
