Encourage staff, businesses, and the community at large to consider the impact on housing when creating any development or other relevant decision

Complete the first edition of a “Housing Playbook”, which will serve as a roadmap to guide the community in the creation of housing, to be ratified at the April 2017 annual town meeting

Award an RFP for development of the VFW and former Community Center site for community purposes including housing and/or economic development

Discuss the possibilities for creation of workforce housing at the North Truro Air Force Base in conjunction with our congressional delegation, the CCNS, and the Town of Truro
