## **Provincetown School Committee Special Meeting - Special Meeting | Remote meeting via zoom**

1. Eva Enos called the meeting to order at 6:04 pm
2. Roll Call: Eva Enos, Ngina Lythcott, Liz Lovati, Penny Sutter. Adrianna Stefani arrived late.
3. Adult-use businesses in close proximity to school and child care facilities.
  - meeting prompted by notice to abutters from the planning board regarding Marijuana Retail within 75ft from the school building, located at 246 Commercial Street.
  - This is a second adult use retail space very close to the school facilities. Provincetown Zoning By-Laws require a minimum 100ft distance from any school building or childcare facility — this is clearly a violation if such retail space is within 75ft from the school
  - members concerned about the number of marijuana retail spaces in town and the message this is sending to children
  - a decision was made to send a letter to the Licensing Board to express the Committee's concern about the proximity of adult-use retail spaces to the school buildings and submit the letter for the May 13, 2021 meeting.
  - Eva Enos made a motion that the School Committee will express concern to the Licensing Board via letter about the location of the adult-use retail space at 246 Commercial Street that appears to be in violation of the 100ft required distance from the school buildings. Ngina Lythcott seconded. Approved 5-0-0.
4. Without objections, Eva Enos adjourned the meeting at 6:37 PM
