

Provincetown Open Space Committee
Minutes -Wednesday, March 6, 2002

Meeting called to order at 2:45 pm

Members present: Robin Evans, Fred Berger, Celine Gandolfo

The committee reviewed articles 15 and 16 of the town meeting warrant which pertain to the Land Bank and the Community Preservation Act. We discussed the contents of these articles and whether we wanted to endorse them. We decided not to endorse either one until they could be discussed by the full committee.

We discussed our participation in the upcoming Yearrounders' Festival. We planned a display on our work which Robin will create, Fred and Celine also plan to be present at the Saturday afternoon event to staff our table.

Robin announced an upcoming joint meeting with the Conservation Commission on April 11th at 5 pm which we will all try to attend.

We planned to meet again next week to address the town meeting articles.

Meeting adjourned at 4:45 pm.

Respectfully Submitted,

Fred Berger, Acting Secretary
