## WORK SESSION

Chair Dennis Minsky called the Public Meeting to order at 6:00 P.M.

### **Landbank Property Sign Project:**

The Commission discussed the language that would appear on the property signs at the Shank Painter Pond Sanctuary, Whistle Path Woods, Fox Run and Nicky's Park. Lynne Martin presented mock-ups of the signs with language the Commission previously discussed. After much discussion the language was decided for each sign. Lynne Martin will correct the language on the mock-ups and prepare them for submission.

The Commission also discussed materials and colors for the property signs. There will be 6 property signs: two at 36" by 24" and four at 18" by 24". It was decided that pressed urethane on PVC backing with dark green lettering on a beige background (as per the "Eastham" sign) including white trim around the edges would be used for all of the signs.

*Dennis Minsky moved to use pressed urethane on PVC backing for the signs with dark green lettering on a beige background (per the "Eastham" sign) with the white trim, Jack McMahon seconded and it was so voted, 4-0.*

### **DISCUSSION:**

2 COMMERCIAL STREET: The Commission discussed the property.

*Dennis Minsky moved to direct the Conservation Agent, Brian Carlson, to write up wording to the effect that the Conservation Commission supports the referral of the 2 Commercial Street project, in whatever state it is in, to the Cape Cod Commission, Jack McMahon seconded and it was so voted, 4-0.*

**ADJOURNMENT:** *Dennis Minsky moved to adjourn at 8:45 P.M. and it was so voted unanimously.*
