The Minutes of November 9, 2009 were read.

On a motion by Peter Grosso; seconded by Alex Brown Minutes were approved 2-0-1 (Ms. Rushmore absent)

Dr. Singer brought committee up-to-date on what they are looking at:

- Regionalization not a fiscal answer-not a big money saver  
Single voice for representation – only one seat on the regional school committee.
- Tuition Based for years with low number of students is more flexible – less expensive.
- Custom based school systems being looked at. Different models are: International Baccalaureate, Montessori, Performing Arts. Developing Provincetown programs.

Meeting adjourned at 5:25 P.M.
