MEETING AGENDA

In the interest of time the Commission decided to take Other Business before the Minimum Standards Workshop.

OTHER BUSINESS

Hangar Event – Wedding Reception Update

Butch advised that all of the required signatures, information and insurance certificates have been submitted to the commission in regards to the Hangar Event in July.

With that information the commission put the matter to a vote.

Motion: Move to approve the Wedding Reception Hanger Event on July 25, 2010.

Motion: Steve Tait **Seconded:** Paul Gavin **Vote:** 3-0-0

AIRPORT MINIMUM STANDARDS – WORKSHOP

The commission discussed updating the current Airport Minimum Standards using assorted other airport standards as a guideline to work from.

As the discussing went on it was noted that the current standards may just need to be adjusted to today type of issues and not have to be throne out and start from scratch. More discussion will continue at upcoming Airport Commission Meetings.
