

Meeting of the Animal Welfare Committee on July 16, 2009 at Grace Goveia at 3 PM

In attendance were Candace Nagle, Steve Milkewicz and Carol MacDonald

Minutes from June 19 meeting were not voted on because the one of the members in attendance was not at the previous meeting, thus no vote. Nor was there a vote on the minutes from May 21st for the same reason.

Governer Bradford received permission for doggie dining.

Discussion re: new dog bag stations.

Nagle announced the bowl sale which will be at the former LilyPond building sponsored by Central House and Lily Tomlin show update.

DEP to be contacted re: glass on beach. Where is it coming from?

Meeting adjourned at 4 PM
