

PROVINCETOWN PUBLIC PIER CORPORATION

OFFICE OF THE HARBORMASTER

MacMillan Pier – Marina Reconstruction Project.

The project scope includes select demolition of the existing marina, supply and install new floating concrete wave attenuator with 19 new steel pipe piles, install new concrete main floats with 25 new steel pipe piles, modify and reinstall existing timber finger floats w/ 20 new steel pipe piles, reinstall 4 existing dinghy floats w/ existing steel pipe piles; install 2 new gangway gantry assemblies and one new and one existing aluminum gangway. Provide utilities to the main floats as required.

The specifications and bid forms are available on-line at the Town of Provincetown website or can be viewed at the Town Harbormaster Office, 24 MacMillan Wharf, Provincetown, MA 02657. General Bid deadline is Jan 11, 2019 at 2:00 PM at Provincetown Town Hall. PreBid meeting will take place at 10:00 am December 14, 2018 on MacMillan Pier.

Questions relating to the bid documents must be submitted in writing to the Harbormaster on or before Friday, December 28, 2018. Please forward these inquiries to Rex McKinsey, Town Harbormaster at rmckinsey@provincetown-ma.gov or mailed to the Town Harbormaster, Town Hall, 260 Commercial Street, Provincetown, MA 02657.
