

PROVINCETOWN PUBLIC PIER CORPORATION

MACMILLAN PIER

Seasonal Assistant Harbormaster Job Description

Supervision

Works under the direction of the Pier Manager and the supervision of the Harbormaster and the Deputy Harbormaster to facilitate and support the organizational goals and responsibilities of the Pier Corp Board of Directors. The Assistant Harbormasters (AHM) will possess the skills to perform the duties listed below. The AHM will then actively promote the harbormasters' traditional stewardship of the harbor and the economic development and revitalization of Provincetown public pier and marine interests.

Overview

The position of assistant Harbormaster (AHM) Assists the HM and Deputy HM with HM duties, Pier Patrol, and emergency response, to also include, assisting in pedestrian and vehicle traffic during peak times during first and second shifts. This seasonal work is primarily performed outdoors in most weather conditions. Routine patrols are on foot and by boat, service calls and some projects will be performed as a sole operator. AHM's will maintain radio contact and report through the office dispatch. Back up assistance will be available as needed.

AHM's are a crucial team for emergency responses, foul weather conditions, heavy visitor loads and many other pier events and projects. Moderate physical labor and basic mechanical skills are required at times, as well as possible specialized skills in rescue diving, firefighting, towing, law enforcement and emergency management.

Basic office skills are required for administrative duties. These include: log keeping, basic computer tasks, attendance at weekly staff meetings and some board meetings, and mandatory participation in certification and training programs, as well as any continuing education requirements.

Duties
