JOINT MEETING WITH BOARD OF SELECTMEN – UPDATE

At our next regular meeting the Bicycle Committee will draft an update of proposed bicycle routes for the Board of Selectmen. David and Daniel will bring the large maps they have been working on. Daniel will get update from Tabitha as to how the CCRT is doing with their signage campaign.

YEAR ROUNDERS FESTIVAL – MARCH 9

Roger, Bill and David will spend some time at a table for the Bicycle Committee. Bill will bring a bike outfitted with lights. Roger will dress up in bike gear. Daniel will make large size maps for display with the proposed bike routes on them. Brochures will be available for hand out.

SPRING TRAFFIC HEARING – MARCH 12 @ 6 PM

The two Resident Parking proposals are back to back (#11 and 12) on the agenda. All Bicycle Committee members should be present and should speak either as Committee members or private citizens. If you can get anyone to attend this meeting and speak in favor it is immensely important.

The Ban of Parking on Commercial Street (the hill in front of the Masthead) will also be on the agenda. Again the Committee will speak in favor and all can speak as private citizens.

\*\*Bicycle Committee Members meet at 5:30 prior to hearing.
