

Provincetown Historic Commission

June 7, 2013

Present: Eric Dray, Stephen Milkewicz, Char Priolo, Susan Avellar, Deborah Minsky,
Stephen Borkowski, Polly Burnell

Agenda:

1. Minutes: Move to accept the minutes of May 3, 2013 by Char Priolo, 2nd Eric Dray, Vote: 4 yes, 3 abstain
2. Public Statements: None
3. Interpretive Materials: What is the goal of the Commission with relation to the Art Studio Tour. The list of studios currently on hand does not reflect all well-known artists. The list may be a beginning- and part of the Commission's mission to educate. Perhaps the major project should be to concentrate on the history and the restoration of the Town Hall and Library including the art works hanging within. A consensus of the Commission to work on both projects exists. Chairman Dray will start a pamphlet on the Town Hall and Library. Deborah Minsky will continue compiling a list of artists and studios.
4. Heritage Museum: The artifacts are still awaiting a move to the VMCC.
5. Oral History: There will be a meeting of Mass. Memories on Tues. June 11 at noon in the Town Hall.
6. New Business: Why isn't there a 'Welcome to Provincetown's Historic District sign? The DPW has the capability of creating one. A meeting with David Gardiner and David Guertin will be scheduled to investigate.
There is a new pamphlet for the whaling ship Charles W. Morgan which will be in Provincetown Harbor in July, 2014
7. Moved to adjourn to July 11, 2013 at 5PM at the Provincetown Public Library by Char Priolo, 2nd Deborah Minsky Vote: 6 yes
