Hi Rik,

I did not forget about your request it has just been a very busy summer and this is a pretty labor intensive requesting sifting through various information. Below is the information that I was able to come up for you. These numbers should be as close to accurate as possible.

In 2015 there were approximately 38 bicycles that were reported stolen to the police department. The following is a breakdown of location of the reported thefts of the bicycles:

Commercial St. Center (Johnson St. - Court St.) 16
Commercial St. (all other areas) 10
Other 3
Bradford St. 5
Shankpainter Rd. 4

In 2014 there were approximately 67 bicycles that were reported stolen to the police department. The following is a breakdown of location of the reported thefts of the bicycles:

Commercial St. Center (Johnson St. - Court St.) 41
Commercial St. (all other areas) 14
Other 10
Bradford St. 1
Shankpainter Rd. 1

Hopefully this information will help you. If there is anything else that you need please let me know.

Thanks,

Hi Kevan,

Would it be possible to get the reports of stolen bicycles for the past couple of years (2014 & 2015)?

I'm trying to get a handle on how many bikes are stolen and where.

Thanks,
Rik
