

# Recycling & Renewable Energy Committee

## Meeting Minutes

RREC Minutes 04.10.2019

Call to order 09:05 am

Present: Lydia, Elise, Jay, Welcome new member Jared. Staff: Sherry Visitor Emeritus: Laura Ludwig Excused: Susan

Elise: Water Bottle filling Stations at Town Hall: Since the Year Rounder's Festival, Town Meeting and the prohibition of purchasing plastic water bottles under a gallon by the Town it would really be great to have one installed in the Lobby on the bathroom side and one outside the auditorium between the two doors.

Elise moved to install two Water Bottle Filling Stations in Town hall: One in the Lobby on the Bathroom side and one outside the auditorium between the two doors.  
Jay second...vote 4-0-0

Elizabeth Paine has instructed us to give her the minutes and she will present them to the BOS for us to present to them at a meeting.

Jay: Recycle Flyer Edits continued. Outer Cape Energize is finished

Laura: Difficulty in her neighborhood with recycling. she has had a discussion with the offenders about no plastic bags and lids on containers. Sherry will find out and she sends letters to inform the offenders.

Lydia: As CVEC Rep...someone presented solar panels that bend to be placed on Water Towers. Consensus is that they are not very good.

Parade Rules: We are concerned about "throwing" beads and candy and making plastic trash that will go into storm drains and into the bay.

Elise move to ammend Parade Rules for all parades...Portuguese Festival, Fourth of July and Carnival to make them all "No Throw Parades".

Jay second...Vote 4-0-0

We talked about the Eversource Battery at transfer station close to the compost area and possibility of fire.

Next meeting Wednesday May 1, 2019  
E move to adjourn Jay second. Vote 4-0-0 at 10:55am
