

Recycling & Renewable Energy Committee Meeting Minutes

RREC 05/01/2019

Present: Lydia, Elise, Jay, Susan, Jared(09:30)

Staff: Sherry

Guests: David Mead-Fox and Dick Elkin from Outer Cape Energize and Dennis Minsky on Non-binding Resolution passed at Town Meeting "No Idling" State Law.

Called to order 09:00am

David and Dick: Next Phase Outer Cape Energize: Mitigation and effects of Climate change Adaptation - Stretch Code - Minimum Building Standards incorporate sustainability

Jay: Possible Window Incentive/Rebate?

Cape Light Compact does not do windows because the cost/savings cannot be measured.

Ask Tim: Anything Outer Cape Energize can do? Are there any gaps we can help with?

Work on Commercial Properties

Dennis asked for our help in Anti-idling resolution.

Jay: maybe make a flyer for store windows, etc. and straw, plastic bag info. "Idling gets you nowhere".

Hit Cabs, Arts dune Tours, Lydia will speak to Raphael(her son in law who owns cabs etc)

Sherry: Sign pole \$80 sign \$40

Dennis email dminsky4@comcast.net

Welcome new members: Susan Jung and Jared Keasbey

Parade Rules: next meeting after all members have a chance to chime in and we can vote to approve them.

Jay will speak to Chamber, PPG etc to adopt them and present to select Board.

RREC flyer will go to us tonight or tomorrow for FINAL approval.

Sherry: Filling stations - Plumber says upstairs in town hall not viable. Lobby OK. We don't have to go to BOS!

6 Buttlers arrived at 50% off

Jay moved to pay \$322.41 to Keep Ma. Beautiful for invoice Lydia 2nd vote 5-0-0

We will keep 3 as replacements and install 3. Sherry will check options.
Drain to ocean stickers: Elise move to spend \$400 to buy more stickers Sue 2nd vote
5-0-0

Elise asked about the possibility of a stencil for no smoking on sidewalk/street. Sherry will check.

United for Climate Change at UU Church May 11

BROTO May 17-18 Climate change, Science, Art Conference at Pilgrim House
