

Recycling & Renewable Energy Committee

Meeting Minutes

RREC Wednesday July 3 2019

Called to order 09:00

Present: Jay, Sue, Lydia, Elise

Absent: Jared

Staff: Sherry

Jay: Parade - trying to contact Austin about a truck.

Sherry: Down payment for Library needed. Jay move to use \$2600 (rest of the cash) to pay Library water station. Lydia 2nd Vote 4-0-0

Buttlers: Some replaced. Broken ones to be replaced.

Recycle Glass in Dennis: We are single stream so we have to figure it out if and how we can possibly do it.

Jay will check with the National Seashore if we can use the capped landfill for compost? DPW will explore further.

Fluorescent bulbs: If broken throw away. Otherwise they go in shed.

Joe's Coffee uses corn based plastic straws, we don't know about Cumby's.

Jay: An Environmental Enforcement Agent is needed for enforcement and education for the future. Will take work load off BOH etc. Maybe check with David Gartner. Table till the Fall.

Storm Drains: There are 180. Some are attached to leaching field, others drain to harbor. Maybe order 100 new stickers. Elise will check previous minutes for any info and will ask Jill at Care for the Cape and Islands about grants for water filling stations at Town Hall and solar trash compactors and that DPW will match funds.

Recycle works Consultant: Jay will check with Tessa to set up.

Destination Electric: Jay Edelman does PR for many things. This advertises at electric car charging stations. We should market the entire town to register. Elise and Jay will research for next meeting. DriveElectricUS.com

Next Meeting Wednesday August 7 09:00

Lydia moved to adjourn 10:00 Jay 2nd.
