Meeting called to order at 10am

Present: Celine Gandolfo, Fred Berger, Robin Evans, Barbara Sullivan

Robin reported on a Selectman's meeting she attended. Plan was presented by Mr. Bergman, which included using landbank funds for affordable housing, possibly greater than the 10% limit.

Celine read a letter from Mark Robinson stating that he would work to procure foundation grants if a purchase and sale agreement on the Locke property can be completed soon.

Celine feels we should actually solicit funds for the Locke property despite having no purchase and sales agreement at this frequent visitors.ity is to send out fundraising letters to

into the fundraising presentation, and how we could get that concept prepared visually by an advertising company, university, or high school student.

Fred reported on the Community Preservation Act passed by the state recently.

Robin reported that Congressman Delahunt would meet with us to discuss the Land and Water Conservation Federal legislation for land preservation.

Discussed the pros and cons of a fundraising letter and how to target an appropriate audience.

David Guertin, Director of Public Works, joined the committee to discuss plans for mulching at the Shankpainter property. Compost is currently being screened for that and other purposes. He December although it could be later if the compost becomes frozen by then.

Motion to send letter from Mark Robinson regarding the necessity of completing a P & S on the Locke property to Keith Bergman by Robin Evans, seconded by Celine Gandolfo, all in favor 4-0, Celine Gandolfo, Fred Berger, Robin Evans, Barbara Sullivan.
