

Cemetery Meeting Minutes  
Provincetown Cemetery Commission  
February 1, 2010  
Community Center

All Members Present excepting Mr. Myers and Ms. Berg (excused absences)

Meeting called to order at 2:04 pm.

Mr. Olson began the meeting by going over items on the agenda.

Item 1 Minutes from last meeting approved.

Items 2&3 (status of expansion project, and moratorium of sales).  
Will be further discussed once "toad" report is available.

Item 4, concerning Winthrop Street Cemetery. Mr. Olson and Mr. Howe recently met with the Historic Commission to discuss a possible merging of resources. Also to get feed back about the establishing of a "Friends of the Winthrop St. Cemetery fund". Various other ways to maintain work already done were also sought. Not a very encouraging response from Historic Commission. This and other issues shall be pursued further.

Item 5 (Ongoing discussion of cemetery related funds)  
Still unclear about what became of deficit, and current amounts in the available perpetual care fund. More effort will be needed to clarify this matter.

Mr. Olson then introduced the election of officers (item 6). It was generally felt that this should wait until all members have the chance to discuss the matter further.

Mr. Olson then set the date of the next meeting.  
March 1<sup>st</sup> 2010. 2pm in the Community Center.

Meeting adjourned 2:49 pm

Gregory Howe, Sec. Pro-Tem
