Prep for public hearing-

- \*Council on Aging wants to discuss support and vote on it later
- \*Other Board meetings coming up: Board of Health, Renewable Energy & Recycling Commission
- \*Reach out to abutters on Bradford Street to garner support. Candace will get abutters list
- \*How do we reach commuters to support this initiative?
- \*Each Bicycle Committee member should try to bring 7-10 supporters to the hearing.
- \*Get Shank Painter Rd abutters/users support based on their experience on Shank Painter Rd reconfiguration.
- \*Address transition at Prince Street to shared road use
- \*Emphasize pedestrian use as much as bicycle use
- \*Find out if parking can be accommodated in some areas
- \*Develop and distribute pros/cons sheet or Q&A sheet
- \*Request more speed limit signs on Bradford St.
- \*Get clear cost estimate of project
- \*Some home-owners could request curb cuts

Discussion of pros of project to emphasize

- \*Easier for DPW- less street painting, cleaner emergency routes, street cleaning, rubbish pick-up
- \*Better lines of sight for drivers pulling out of side streets, driveways
- \*Reduce bike traffic on Commercial St.
- \*Increase town parking revenue
- \*Create adequate space for people with disabilities
