

Bicycle Committee Meeting Minutes for 6/20/2012

Members Present: Candace Nagel, Mike Peregon, Bill Meadows, Roger Chavette

Meeting called to order at 1:04 pm

No public comments

Candace went over new standards in open meeting laws which require a more detailed agenda.

Bicycle rack grant request forms are ready. We will make PDF or downloadable forms available.

Michael Peregon made a motion to authorize Candace to purchase a ¼ page ad in the next available issue to advertise bike rack grant program. Approved 4-0-0. Provincetown Magazine often writes a story also when ads are purchased. Candace will check into it.

Bike Brochures are very successful. People really like them and find them helpful. Nice to have bicycle laws on brochure.

Bill reported that bike donation fund is doing well and he thinks it is a matter of getting used to asking for the donation. He will talk to other bike shops about participating in a similar activity.

Bill and Roger attended the Bike Shuttle. Dignitaries included Sarah Peake and Senator Keating.

Roger is working on a bicycle tour of Provincetown. Suggestion to add addresses. Maybe a smart phone app as guide? Roger will proceed on this project.

Historically Tennessee Williams biked from Provincetown to Dennis on a regular basis. Roger suggested we talk to Jeffrey Hall-Flavin to incorporate such an activity in the Tennessee Williams Festival.

No one has seen the bike sharrow.

Next meetings July 11, July 25, Aug 8, Aug 22.
