Section 3-2-1 "a) No vessel over 17 feet may be stored on public beaches from May 15th to October 15th. No vessel with an enclosed cabin may be stored on public beaches for more than 7 days per calendar year."

What constitutes a working boat? Can someone live in the boat on the beach all winter?

Should boats on town moorings be required to have liability insurance or a bond?

These questions will need further discussion at our next meeting on 2-9.
